

Pioneer Plunge

July 30th – August 5th,
2017

Take the Plunge! "I know that it may seem unreal that a place with no electricity, no running water, no mirrors, and no deodorant is supposed to be so incredible, but Pioneer Plunge truly is the greatest trip you could ever go on. We will hike to the camp, cook, and live together, and share our stories with each other. It is a place to experience authentic community, hard work, and the Presence of God." *Source unknown*
