

Merry Christmas!

Thank you for participating in this fundraiser by purchasing a wreath from Greater Forsyth County Young Life and West End Wreaths, which is an award winning, nationally featured farm.

Ten dollars from the sale of every wreath will go directly toward helping high school students in Forsyth County attend camp this summer. We promise students the best week of their lives at Young Life camp and we never want money to be a reason why someone can't go with us. Thank you for your investment in kids by purchasing a wreath from us this year!

Please feel free to spread the word and
